## Booking

The Customer can book the rental of a vehicle, setting the date and time of pick up and drop off, indicating the flight number on arrival. The rental period cannot be less than one day (24 hours from pick up), and even if the rental lasts less than 24 hours, it will still be invoiced and considered a rental day at the updated rate.

**BRID** offices are located in Cinisi, in Via Nazionale n.130, a few minutes from the airport of Palermo «Falcone Borsellino»; **BRID** offers free shuttle service to reach the office.

The Customer can also add extra services.

Before booking, the Customer must make sure to have the «necessary rental requirements» (see general rental conditions).

Upon receipt of the booking summary by email, the Customer must recheck if all data are correct.

By proceeding with the booking, the Customer accepts these conditions, eventual penalties applied and the general rental conditions.

FOR RESERVATIONS CONFIRMED THROUGH INTERMEDIARIES (BROKERS, TOUR OPERATORS, TRAVEL AGENCIES) THESE CONDITIONS MAY BE SUBJECT TO CHANGES THEREFORE CUSTOMER'S CONDITIONS WILL BE APPLIED ACCORDING TO THE BOOKING PROVIDER.

## Payment - on line / at the rental desk

### On line payment

The online payment requires the prepayment of the rental and chosen accessories; some accessories can only be available at the rental desk.

Booking with online payment allows the Customer to take advantage of a discount compared to the booking with payment on arrival and therefore it is subject to penalties in case of cancellation.

### Payment at the rental desk

Booking with payment on collection (not allowed for rentals with pick up from 1 July to 21 August) requires the payment at the car rental office.

In case of no cancellation, the reservation with payment on collection is subject to penalties.

## Booking edit

All BRID reservations can be modified, subject to availability confirmed only by BRID, within 48 hours prior to the pick up.

After confirmation of the change, the Customer will receive the updated booking by e-mail with the new data and costs.

The modification of the reservation has no cost, however, it is subject to the new updated rate therefore: a) if the new rate is greater than the one booked, the Customer will have to pay the difference; b) if the new rate is lower, no refund can be applied but possible compensation with extra services chosen by the Customer at the counter.

If the Customer requests a cancellation, the concerning penalty will be charged unless the Customer simultaneously makes a new booking which will cost not less than 20% of the total of the original booking. In this case, the new booking will NOT be modified or cancelled without penalty.

## Cancellations

All reservations can be cancelled without penalty on the website [www.bridrent.it](http://www.bridrent.it) or by sending an email to: [booking@bridrent.it](mailto:booking@bridrent.it), within 48 hours from the date and time of the rental.

If the cancellation is made / communicated after this deadline, the full amount of the rental will be charged, with the exception of the amounts relating to extra services /accessories.

The aforementioned penalty is also applied in case of no show, with the exception in case of serious impediment proven by the Customer.

In the event that the cancellation is made at the same time of a new booking, if the amount of the new booking is not less than 20% of the original booking, no penalty will be applied. The new booking will NOT be modified or cancelled without penalty.
